

**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

**Case No.: 2:96-CR-68 (1)
JUDGE SMITH**

ROBERT G. LONG,

Defendant.

*Date of Original Judgment:
October 20, 1997*

ORDER

This matter is before the Court on the Defendant's Motion to Reduce Sentence, pursuant to 18 U.S.C. §3582(c)(2), in an "Agreed Disposition Case." (Doc. 1014). Defendant also filed a *pro se* motion for reduction of sentence. (Doc. 1012). Defendant was originally sentenced on October 16, 1997 to 360 months imprisonment after being found guilty on multiple drug related offenses and money laundering. Defendant's sentencing range was 292 months to 365 months based on a total offense level of 40 and a criminal history I.

On November 1, 2014, the United States Sentencing Commission promulgated Guideline Amendment 782, which reduced by two levels the offense levels assigned to the drug quantities set forth in §2D1.1 of the United States Sentencing Guidelines, as well as parallel changes for the listed chemicals found in §2D1.11. Defendants who are currently imprisoned for these drug offenses are eligible for retroactive application of the guidelines as long as they meet certain eligibility criteria.

Counsel for the government, defense counsel, and representatives of the United States Probation Department have met and are in agreement that Defendant meets the Sentencing Commission's eligibility requirements for the retroactive application of Amendment 782 to his case. After considering the original guideline range, the extent of any downward departure, the

circumstances of Defendant's case, and his behavior while incarcerated, the parties jointly recommend a reduction of Defendant's sentence from 360 months to 288 months.

Whether to grant a reduction of sentence pursuant to §3582(c)(2) is within the discretion of the court. *United States v. Ursery*, 109 F.3d 1129, 1137 (6th Cir. 1997). In considering whether a reduced sentence is appropriate, this court must consider the factors in 18 U.S.C. §3553(a) to the extent that they are applicable. *See* §3582(c)(2).

Upon consideration of Defendant's motion, the statutory sentencing factors set forth in §3553(a), and the joint recommendation of the parties, the Court concludes that Defendant's offense level should be reduced from a 40 to a 38, which yields a new advisory guideline range of 235 to 293 months. Therefore, a reduction of Defendant's term of incarceration is appropriate in light of the reduction in the applicable guideline range. The sentence of 360 months incarceration previously imposed in this case is hereby reduced to a term of incarceration of 288 months. Under Amendment 782, Defendant's release date shall be no earlier than November 1, 2015. Except as provided above, all other provisions of the judgment previously entered in this case shall remain in effect.

The Clerk shall remove Documents 1012 and 1014 from the Court's pending motion's list.

IT IS SO ORDERED.

/s/ George C. Smith
GEORGE C. SMITH, JUDGE
UNITED STATES DISTRICT COURT

Order Date: April 16, 2015

Effective Date: November 1, 2015
